\*EOA = Euthanized On Arrival

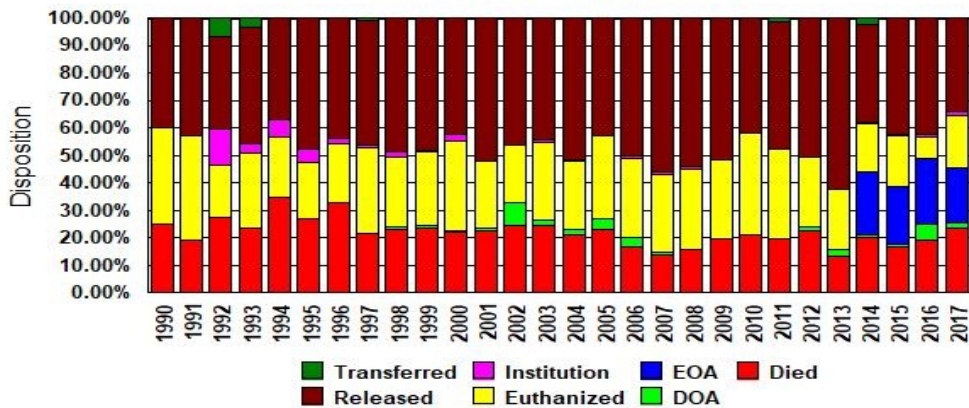

This designation was begun in 2014 to help differentiate those patients we attempted to treat for their injuries from those we deemed beyond recovery.

“Institution” designated those birds who have been kept at TRAC over the years to act as Educational Ambassadors. Of the 50, 13 are currently still at TRAC.

“Transferred” designates those birds which were moved to other facilities.

(EOA = Euthanized On Arrival, no treatment attempted)

**Disposition as Percent of Intake by Year**
